

Now It's Your Turn!

- ▶ Make up your OWN version of Cinderella!
- ▶ You have 2 choices of how to present your story: as a written tale or as a comic.
- ▶ Either version must contain the SAME BASIC elements of the Cinderella story but demonstrate OBVIOUS DIFFERENCES. You are free to be creative as long as it is not offensive to anyone or anything. **SCHOOL APPROPRIATE.**
- ▶ Written stories must have at least 3 complete paragraphs containing the entire plot mountain: exposition, conflict, rising actions, climax, falling actions, and resolution.
- ▶ Comic versions must also demonstrate all of the plot mountain elements, too. You may have up to 2 sheets of comic paper.
